We do hope that you have an enjoyable visit today at Easton Farm Park. To ensure your visit is a safe one, here are a few useful tips:

The Farm Park staff are usually wearing red – please don't hesitate to ask us any questions.

We are a non-smoking & non-vaping site.

Baby changing facilities are located beside the ladies toilets (Near the Willow Barn Cafe).

Clean your hands at regular intervals. Please see the map for hand wash station locations.

First Aid points are situated at the Willow Barn Cafe and Welcome Centre.

Please supervise children at all times.

How to wash your hands properly

Wet your hands under warm running water & rub them well to work in the soap

Don't forget the areas in between your fingers & around your wrists
