

## Week 2: Rob the Farrier

1. What is the name of a pony/ horse's foot?

— — — — —

2. What does the farrier do?

- A. Grooms the ponies
- B. Feeds the ponies
- C. Takes care of the ponies hooves

3. How often does the farrier need to trim the ponies hooves?

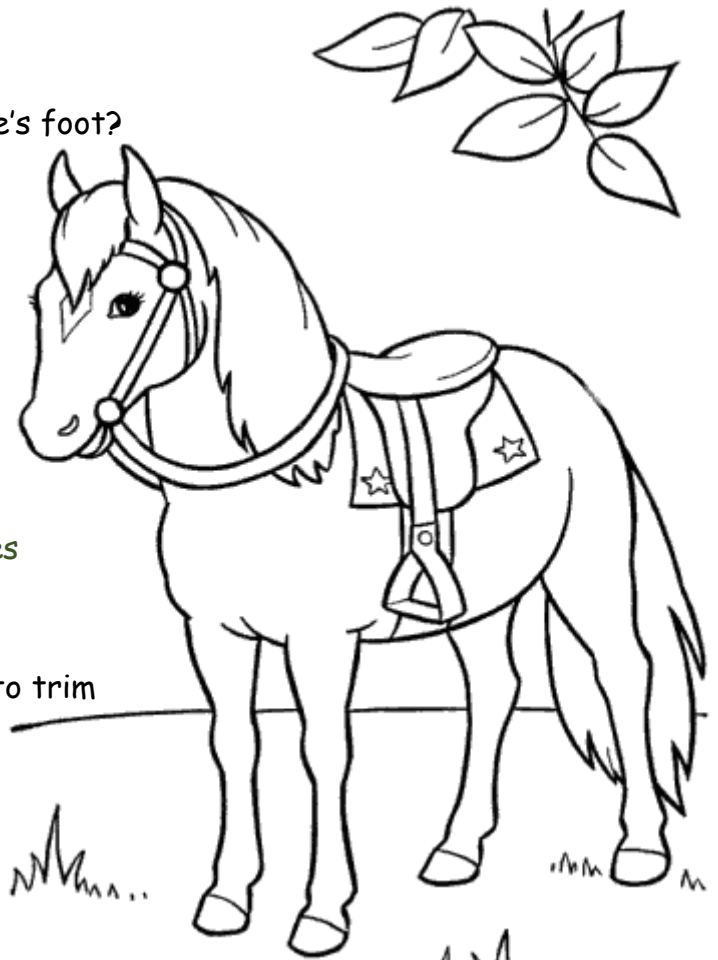

- A. Every 2 weeks
- B. Around 6-8 weeks
- C. Once a year

4. How come some ponies have horseshoes and some don't?

- A. Because not all ponies are used for riding and driving so don't have as much wear on their hooves
- B. Because ponies look cool with shoes on
- C. Because it makes them trot faster

5. How many hooves does a pony/ horse have?

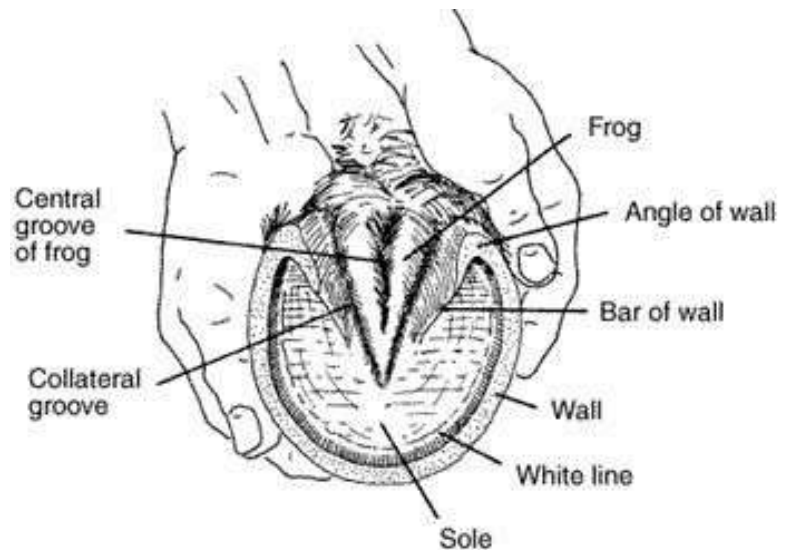

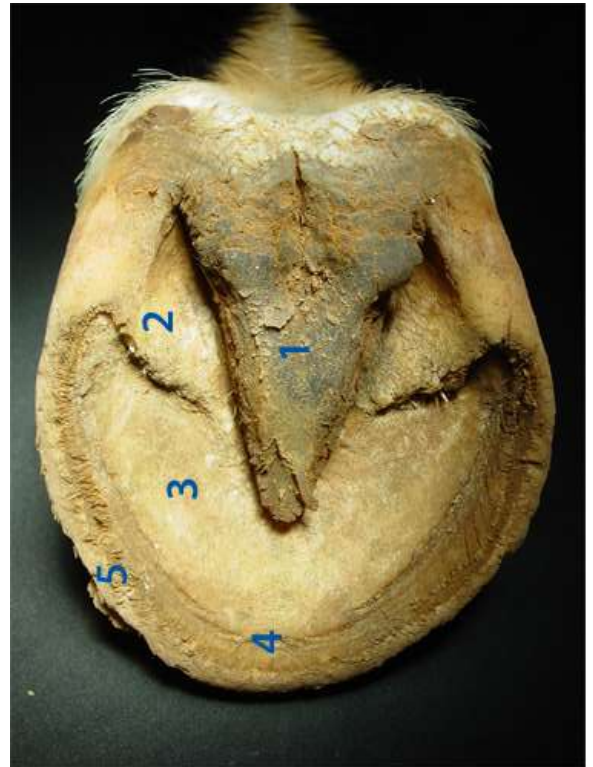

—

**COLOUR ME IN!**

Below is a diagram of a pony/ horse's hoof. Can you follow the picture and label the parts of the hoof?

2. \_\_\_\_\_
3. \_\_\_\_\_
4. \_\_\_\_\_
5. \_\_\_\_\_

## THIS WEEK'S CREATIVE TASK!

Create your own story about a pony/ horse. It must include something about their hooves. Send us your written story or a video of you telling us your story and one lucky winner will win a video from their favourite animal at the farm!

*The winner will be drawn on Sunday 31<sup>st</sup> January.*
